- 1. Lack of Transparency for Consent Order by DEP
- 2. Most citizens including UIF customers have been impacted by the COVID-19...enduring restriction for gatherings, health concerns, layoffs, shutdowns, national and state unrest, and financial uncertainty made gathering information, and community preparation for the upcoming hearing and conference difficult.

Additional Comments: With my wife and I over 70 with health conditions are house bound indefinitely. What you are requesting the commission to approve will be a hardship to so many. Perhaps, I strongly suggest, Customer Signature: Michael E Quinn - you stay within a realistic & fair decision.
