Dear Clerk,
RE: Docket: 20200226-SU

I am a property owner in Cape Haze, FL and am writing to protest the application by Environmental Utilities to install sewers in Cape Haze and the barrier Islands. I strongly feel that we don't need sewers as we are a community with low population density and there is no evidence that our septic tanks pollute. Further, we need a company with a strong financial position and the necessary experience to do the job, not a startup Mom and Pop operation that is unable to tell us how much we will pay nor provide any provision for payment over time for those who would be financially burdened by having to pay all at once.
Please reject their application.

Yours truly,

*Ron +
