**Subject:** Raising TECO Rates By 18% Should Not Be Approved

To Whom It May Concern:

I am contacting you to strongly recommend that you do not raise TECO rates by 18%! As many people of all ages today are struggling with their financial situations, the raising of rates for electricity would be devastating!

TECO has been an excellent company, that has supplied the power to my residence for over the last 40 years. I am & have been thankful for your excellent & compassionate service!

Please reconsider your plans on raising the rates for many people, who value you as a company with integrity.

Sincerely,  
Kathy Hazlewood
