Subject: RE: Docket Title (20200255-WU)

Hi Marissa,

Per your request below, the docket title has been updated. Additionally, Gadsden County utility has been changed to City of Quincy; and Nelson Law Firm has been updated to reflect that it represents City of Quincy rather than Gadsden County.

If you have any questions, let me know.

Dorothy

Subject: Docket Title (20200255-WU)

Hi Dorothy,

This email is a request to amend the current docket title for DN 20200255-WU. The title currently reads "Application for transfer of water facilities to Gadsden County, and cancellation of Certificate No. 559-W, by Joyland Water System."

However, the system is being transferred to the City of Quincy within Gadsden County. Can the docket title please be amended to reflect this clarification and read as the following?: "Application for transfer of water facilities to **the City of Quincy** in Gadsden County, and cancellation of Certificate No. 559-W, by Joyland Water System."

Please let me know if you need any additional information from me to make this change – thank you!
