Subject: 18% Teco rate hike

Hello, I wholeheartedly disagree with this proposed 18% rate hike by Teco. Not only are we still in the middle of a pandemic where many neighbors have lost their jobs or are already behind on payments, but 18% is a very significant hike at one time. We have no other options on where to seek power elsewhere and our hands are tied by Teco—they should not be allowed to do this.

Thank you for your concern—

Regards,
