Subject: Cape Haze sewers

We are strongly opposed to sewers in Cape Haze. There has never been a problem in our small community. Aside from destroying the character of our area with destruction of trees probably 50 to 100 years old which depict old Florida ambiance. compared to the sterile areas of hundreds of new proposed homes in Charlotte County. it would also upset the abundance of wild life and birds in the area. We appreciate your consideration in this matter

Fred and Sondra Moore ..
