COMPLAINT INFORMATION

Complaint: Other Complaint against Gulf Power Company

Details:

With all the hardships from hurricanes to Covid 19 that we have and are dealing with now, this massive company who still makes profits wants to charge additional fees for Hurricane Sally. This would be on top of Hurricane Michael fees we are already enduring. We are still doing repairs from Hurricane Michael. I just feel this is insult to injury the prices of everything is soaring, Money however is not, there already is not enough to go around. We already pay for electricity and fuel to make it, taxes, Hurricane Michael fees and Now Sally fees. When will it stop. IT'S Not LIKE WE HAVE A CHOICE OF COMPANIES.
