E-PORTAL FILING

Mr. Adam Teitzman, Clerk
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

REDACTED

Re: Docket No. 20210013-TX - Application for designation as an eligible telecommunications carrier to receive rural digital opportunity fund auction (Auction 904) support for voice and broadband services and request for expedited consideration, by Bright House Networks Information Services (Florida), LLC.

Dear Mr. Teitzman:

Attached for filing, please find the response of Bright House Networks Information Services (Florida), LLC to Commission Staff's request for information regarding Bright House's Long Form Application (Form 683) for Florida that was submitted to the FCC. Bright House is hereby submitting such information under a "claim" of confidentiality pursuant to Rule 25-22.006(5), Florida Administrative Code. Under this claim, Bright House submits the pertinent Phase I FCC Long Form Application (Form 683), including the Indirect Ownership Exhibit and Initial Project Overview, as well as a description of the technology and system design information contained in its Phase II FCC Long Form Application (Form 683). These contain technical and financial information that is confidential and extremely competitively sensitive. The FCC has not publicly disclosed these Form 683 filing materials and is instead holding them confidential. Consistent with the Florida Commission's rule, highlighted and redacted copies of the subject documents are included with this letter and Bright House asks that the information be maintained by the Commission as confidential consistent with Rule 25-22.006(5), Florida Administrative Code.

Thank you for your assistance with this filing. As always, please don't hesitate to let me know if you have any questions or concerns.

Kind regards,

Beth Keating
