Please suspend the restructuring review of Frontier Communications,
pending the Court's judgment on bankruptcy fraud.

To whom it may concern:

Frontier Communications Corporation (FTR, its subsidiaries' names in certain states are Citizens, Commonwealth, etc. Please refer to Annex) is one of the telecom operators in this state. FTR filed Chapter 11 in the Bankruptcy Court of the Southern District of New York on April 14, 2020. However, FTR's bankruptcy case involved bankruptcy fraud.

FTR has so far been unable to submit legal documents for the impairment of 5.4 billion goodwill that caused the bankruptcy. According to the judicial precedent, FTR also could not submit the evidence to prove FTR's insolvency, "imminent illiquidity" or similar financial distress that is required to meet the "eligibility test" for good faith debtors.

I am a shareholder and creditor of FTR, and I have been appealing the above things in the Southern District Court of New York. In response to FTR's bankruptcy fraud, I have requested the Court to dismiss the Chapter 11 bankruptcy case of FTR and designate a Trustee to replace FTR's board of directors.

NYSD Case No. 7:20-cv-06268-CM. At present, the two parties have completed the submission of all complaints. In order to avoid unnecessary follow-up procedures for your organization, I sincerely request you to stop reviewing FTR's restructuring temporarily and wait for the judgment of the Southern District Court of New York on this case.

Yours Sincerely

Rick Tsuei
