In re: Petition by Florida Power & Light
Company for Limited Proceeding for Recovery
of Incremental Storm Restoration Costs Related
to Hurricane Matthew

Docket No: 20160251-EI

Date: March 18, 2021

**FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of certain material ("Confidential Documents") provided to the Staff of the Florida Public Service Commission ("Staff") pursuant to the Commission's Review of Audit Control No. 2017-297-1-1. In support of this Request, FPL states as follows:

1. On January 26, 2018, FPL filed a Request for Confidential Classification, which included Exhibits A, B, C and D ("January 26, 2018 Request"). By Order No. PSC-2018-0155-CFO-EI, dated March 20, 2018, ("Order 0155"), the Commission granted FPL's January 26, 2018 Request. FPL adopts and incorporates by reference the January 26, 2018 Request and Order 0155.

2. The period of confidential treatment granted by Order 0155 will soon expire. The Confidential Documents that were the subject of FPL's January 26, 2018 Request and Order 0155 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Fla. Stat. Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.

3. All of the information designated in Exhibits A, B, C and D to the January 26, 2018 Request remain confidential. Accordingly, those exhibits will not be reproduced or reattached here.

4. Included as First Revised Exhibit D is the declaration of Barry Wilkinson in support of this request.

5. As further detailed in the declaration included as First Revised Exhibit D, certain documents contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. This information is protected by Section 366.09(3)(d), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Documents remain proprietary and confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted this 18th day of March 2021

WRITTEN DECLARATION OF
BARRY WILKINSON

1. My name is Barry Wilkinson. I am currently employed by Florida Power & Light Company ("FPL") as a Manager of Corporate Real Estate. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification filed on January 26, 2018, and approved by Order No. PSC-2018-0155-CFO-EI, for which I am listed as the declarant on Exhibit C. The documents that I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain or constitute contractual data. Disclosure of this information would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of this information.

3. Nothing has occurred since the issuance of Order No. PSC-2019-0011-CFO-EI to render the designated information stale or public, such that continued confidential treatment would not be appropriate. Therefore, consistent with Rule 25-22.006, Florida Administrative Code, such materials should remain confidential for a period of at least eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.
