Re: Docket 20210043–WU - Application to transfer facilities and water Certificate No. 652-W in Marion County from Arma Water Services, LLC to Leighton Estates Utilities.

Dear Mr. Smallridge:

Staff has reviewed the Utility's response to our March 10, 2021, deficiency letter for the application to transfer the facilities and water certificate from Arma Water Services, LLC (Arma) to Leighton Estates Utilities. The information provided by Arma on April 6, 2021, is insufficient and the application is still deficient. The specific deficiency is identified as:

1. **Assets and Liabilities.** Rule 25-30.037(2)(j)(3), Florida Administrative Code (F.A.C.) requires a list of and the dollar amount of the assets purchased and liabilities assumed or not assumed, including those of nonregulated operations or entities. Please provide a list of the specific assets and liabilities including the dollar amount allocated to each account. Also include a detailed list of all liabilities assumed including the amounts of each liability or liability category.

The application will not be deemed filed until the deficiency identified in this letter has been corrected. This correction should be submitted no later than **May 3, 2021**, to the following address:

Office of Commission Clerk
