RE: Smart Choice Communications, LLC, TY176, 2021 Local Competition Report
Data Request Response and Request for Confidential Treatment

Dear Mr. Teitzman:

Pursuant to the Commission's February 22, 2021 Year 2021 Local Competition Report Data Request ("Data Request") Smart Choice Communications, LLC, TY176, submits its response to the Commission's *2021 Competitive Local Exchange Carrier (CLEC) Questionnaire* and confidential FCC Form 477.

Pursuant to Rule 25-22.006(5) Florida Administrative Code, Confidential Information, SCC provides the following in support of its claim of confidential treatment of its FCC Form 477, submission, as required under the Data Request. FCC Form 477 includes confidential information regarding company local exchange access lines and VoIP subscriptions by subscriber type by state, as well as the medium for SCC's provision of service to subscribers. The data submitted in FCC Form 477 provides sensitive information regarding the scope and geographic footprint of SCC's service that could be of tremendous value to competitors and would make SCC vulnerable to competitive attack. SCC considers the entire FCC Form 477 to be confidential. The Federal Communications Commission treats FCC Form 477 data as inherently confidential and does not make company-specific data available to the public. SCC simply seeks the same protection for its FCC Form 477 data that the FCC already provides.

In accordance with Rule 25-22.006(5)(a), SCC provides one copy of the confidential FCC Form 477 in an enclosed envelope marked confidential with two (2) copies of this letter.

Thank you for your attention to this matter. Questions may be addressed to the undersigned.

Sincerely,
