Dear Ms. Lucas and Mr. Meschelle,

Thank you for your comments regarding the rate increase petition filed by Sunny Shores Utilities, LLC (Utility). The Utility was acquired by the current owner on July 27, 2020. Part of the reason for the petition for an increase, is to make necessary improvements to the system.

Your concerns regarding the low water pressure have been presented to our engineering division so that they may look further into the issue. We have also viewed the videos that you submitted along with your comments.

Please understand that the Florida Public Service Commission (FPSC) is an entity separate from the Utility which provides you with water service. The FPSC is in the process of working with the Utility to determine the cause and what steps will be taken by the Utility to resolve the water pressure issue in your area.

If you have any additional concerns, or require further assistance, please feel free to email me at [crichard@psc.state.fl.us](mailto:crichard@psc.state.fl.us). Any concerns or questions emailed to me will be placed in the docket file as well.
