NOTICE TO CUSTOMERS OF LAKE TALQUIN WATERWORKS, INC.

Pursuant to Section 367.081(4)(b), Florida Statutes, water and wastewater utilities are permitted to pass through, without a public hearing, a change in rates resulting from: an increase or decrease in rates charged for utility services received from a governmental agency or another regulated utility and which services were redistributed by the utility to its customers; an increase or decrease in the rates that it is charged for electric power, the amount of ad valorem taxes assessed against its used and useful property, the fees charged by the Department of Environmental Protection in connection with the National Pollutant Discharge Elimination System Program, or the regulatory assessment fees imposed upon it by the Commission; and costs incurred for water quality or wastewater quality testing required by the Department of Environmental Protection. Okaloosa Waterworks, Inc. is now subject to Regulatory Assessment Fees imposed by the Florida Public Service Commission.

On March 2, 2021, Lake Talquin Waterworks, Inc. filed its Notice of Intention with the Florida Public Service Commission to increase its, water rates in Okaloosa County pursuant to this Statute. The rates will increase by 4.5%. The filing is subject to review by the Commission staff for accuracy and completeness.

These rates should be reflected on your bill for service rendered on and after April 16, 2021.

If you should have any questions, you may call the utility at 888-228-2134. Please be sure to have your account number handy for quick reference.
