**Re: Docket No. 20210098-WU - Application for staff-assisted rate case in Pasco County by A Utility Inc.**

Dear Mr. Fonder:

Staff has completed its initial review of your application and has determined that A Utility Inc. (AUI or Utility) is eligible for a staff-assisted rate case (SARC) filing. The Commission's Division of Engineering has determined the filing fee for this rate case is \$500. The fee is based on the capacity of the Utility's system as provided by Section 367.145(2), Florida Statutes (F.S.) and Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). The filing fee is due by **July 12, 2021**, which is the official filing date for this rate case. As provided by Rule 25-30.455, F.A.C., the Commission will deny the application if the Utility does not remit the filing fee within 30 days after official acceptance.

Please forward a copy of AUI's application for a SARC to the Chief Executive Officer of Pasco County as required by Section 367.091(2), F.S., which states:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the Commission for leave to intervene in the rate change proceeding and the Commission shall grant intervener status to any governing body that files a petition.

Please file an affidavit stating that this requirement has been fulfilled. The affidavit and filing fee should be sent to the address below. Please include the docket number (20210098-WU) on all filings with the Commission Clerk.
