Subject: Stop Rubber Stamping FPL Requests!

Dear Commissioner

This request from Florida Power & Light for the largest single rate hike in Florida history IS OUTRAGEOUS! At a time when consumers are facing an increased cost of goods and services as we recover from the economic downturn caused by COVID-19, the FPL request is unnecessary. Increasing the cost of electricity is something you, the Public Service Commission, can control.

Rubber stamping an all-time high return on equity of 11.5 percent goes against helping struggling Floridians. Putting PEOPLE over profits should come first.

Now is not the time to give FPL what it wants; let's keep the public in Public Service Commission! WE ALL COUNT ON YOU TO DO THE RIGHT THING AND VOTE THIS DOWN.

Thank you,

Jeffery Gilchrist
