Subject: Stop Rubber Stamping FPL Requests!

Dear Commissioner

PLEASE PLEASE PLEASE HELP ? Please ?

We are struggling and have NO guarantee of my income will increase 11.5%. :(

You nor I are guaranteed any kind of income.

Would you be so kind as to stand up for us by refusing these increases?

At least cut there request in half? please?

Increasing the cost of electricity is something you, the Public Service Commission, can control.

Rubber stamping an all-time high return on equity of 11.5 percent goes against helping struggling Floridians. Putting people over profits should come first.

Now is not the time to give FPL what it wants; let's keep the public in Public Service Commission!

Help Help Help Help Help

Thank you,

RALPH PIGNATARO
