Dear Commission:

Docket # 20210015-E1

Please don't allow FPL to raise their rates any more. Their rates are already through the roof, extremely too high, many months we struggle both my wife & I on Disability, to make ends meet and pay our bills. A lot of times we don't have grocery or food money by the middle of the month and definitely the last week of every month. We many times struggle to make a sandwich each for 1 meal a day that last week of every month. We can't get any help from food stamps as our Disability is just a little higher than the limit, so not eligible.

Please don't allow them to raise rates, You SHOULD MAKE THEM REDUCE RATES FOR US SENIORS. Sincerely
Carl & Odessa HOBBS
