Reference: Docket # 20210015-E1

Dear Commission:

Please stop giving in to FPL for all their whims & cries for more money & raising rates all the time. IT appears they only keep raising their rates but don't use the funds for upgrades or improvements in their services, they are supposed to provide. Before you give them any more money or increases in funds make them do all the state wide repairs for all their equipment first (meaning power boxes, poles wires, not their utility trucks they get new all the time), then can seriously see if they really need rate increase.

Thank you.

Sincerely,

*Odalis Hobbs*
