Reference: Docket # 2021 0015-E1

Dear Commission:

Please stop giving into FPL for all of their whines  
& cries for more money & raising rates all the time.  
It appears they only keep raising their rates  
but don't use the funds for upgrades or improvements  
in their services, they are supposed to be providing.

Before you give them any more money increases in  
funds make them do all of the statewide repairs  
for all of their equipment first (meaning power  
boxes, poles, wires, not utility trucks they get  
new all the time.) Then you can seriously  
see if they really need rate increases or not.

Thank you...

Sincerely,

Carl C. Hobbs
