Dear Utility Representatives:

Re: Review of the 2021 Ten-Year Site Plans for Florida's Electric Utilities – Staff's Data Request #3 to FPL.

Please respond to the following questions, which constitute Staff's Data Request #3.

1. Please refer to Florida Power & Light Company's (FPL) response to Staff's First Data Request, No. 13(b), where the utility indicated "FPL's industrial use per customer increased in 2020; however, this is increase [which] is not attributable to impacts from the pandemic." Please explain what caused the increase in FPL's industrial use per customer last year.

Please submit your responses to this data request to both the FPSC Division of Engineering and the FPSC Office of Commission Clerk by following the instructions below:

1. Please email your responses to Donald Phillips and Damian Kistner by **Wednesday, July 7, 2021**.
2. Please consolidate your responses into a single PDF document and electronically file this PDF document via the Commission's website no later than **Wednesday, July 7, 2021**.
 - a. Navigate to www.floridapsc.com.
 - b. At the top of the page, hover the mouse cursor over the "Clerk's Office" tab.
 - c. Select from the drop-down menu "Electronic Filing Web Form."
 - d. Please complete the form, referencing "Docket No. 20210000-OT."

- e. Attach your response as the “Primary PDF.”
- f. Submit the form.

If you have any questions, please contact Donald Phillips or Damian Kistner.

Sincerely,
Patti Zellner
