Re: Docket No. 20210015-EI

Dear Mr. Teitzman:

I enclose for filing in the above docket Florida Power & Light Company's ("FPL") Request for Confidential Classification of Information contained in its response to Federal Executive Agencies' First Request for Production of Documents, No. 7. The request includes Exhibits A, B (two copies), C and D.

Exhibit A is submitted for filing in an envelope marked "EXHIBIT A" – CONFIDENTIAL. Exhibit A consists of the documents containing confidential information that is the subject of FPL's Request for Confidential Classification. The documents in Exhibit A are being provided electronically on disc as they are voluminous and confidential in their entirety. Exhibit B is an edited version of Exhibit A, in which the information FPL asserts is confidential has been removed. As the documents are confidential in their entirety, FPL has included only identifying cover pages in Exhibit B. Exhibit C is a justification table in support of FPL's Request for Confidential Classification. Exhibit D contains the declarations in support of FPL's Request. In accordance with Rule 25-22.006(3)(d), FPL requests confidential treatment of the information in Exhibit A pending disposition of FPL's Request for Confidential Classification.

In re: Petition by Florida Power & Light

Rate Increase

Docket No. 20210015-EI

Filed: June 28, 2021

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF CERTAIN INFORMATION PROVIDED IN ITS
RESPONSE TO THE FEDERAL EXECUTIVE AGENCIES' FIRST
REQUEST FOR PRODUCTION OF DOCUMENTS NO. 7**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in its response to the Federal Executive Agencies' ("FEA") First Request for Production of Documents No. 7 (the "Confidential Information"). In support of its Request, FPL states as follows:

1. FPL served its response to FEA's First Request for Production of Documents No. 7 on June 28, 2021. This request is being filed contemporaneously with service of that response to request confidential classification of certain information contained in FPL's response to FEA's First Request for Production of Documents No. 7, consistent with Rule 25-22.006, Florida Administrative Code.

2. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the confidential material which FPL asserts is entitled to confidential treatment. The attachments to FPL's responses to FEA's First Request for Production of Documents No. 7 are voluminous and confidential in their entirety, and they are being provided electronically on disc.

b. Exhibit B consists of a copy of the confidential documents, on which all the information that is entitled to confidential treatment under Florida law has been redacted. The

documents in Exhibit A are confidential in their entirety. Therefore, FPL has included only identifying cover pages in Exhibit B.

c. Exhibit C is a table that identifies by column and line the information for which confidential treatment is being sought and references the specific statutory basis for the claim of confidentiality. Exhibit C also identifies the declarant who supports the requested classification.

d. Exhibit D contains the declaration of Robert E. Barrett who supports the requested classification.

3. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declaration included as Exhibit D, the Confidential Information consists of information relating to competitive interests, the disclosure of which would impair the competitive business interests of FPL. Specifically, the documents contain credit and equity analyses provided by third party rating agencies. This information is protected by Section 366.093(3) (e), Fla. Stat.

5. Upon a finding by the Commission that the Confidential Information is proprietary confidential business information, the information should not be declassified for a period of at

least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. See § 399.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and declarations included herewith, FPL respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

FLORIDA POWER & LIGHT COMPANY

EXHIBIT D

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition by Florida Power & Light
Company for Rate Unification and for Base
Rate Increase

Docket No: 20210015-EI

DECLARATION OF ROBERT E. BARRETT

1. My name is Robert E. Barrett. I am currently employed by Florida Power & Light Company ("FPL") as Vice-President, Finance. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents referenced and incorporated in FPL's Request for Confidential Classification, specifically the materials provided in FPL's response to FEA's First Request for Production of Documents, No. 7. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain competitive business information the disclosure of which would impair the competitive business of the provider of the information. Specifically, the information relates to credit and equity analyses performed by rating agencies. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Robert E. Barrett
