RE: Docket No. 20210106-GU: Petition for approval of transportation service agreement between Peninsula Pipeline Company, Inc. and Florida Division of Chesapeake Utilities Corporation.
Request for Confidential Classification of Document No. 04295-2021

On May 26, 2021, Peninsula Pipeline Company, Inc. (Peninsula or company) filed a request for confidential treatment for Document No. 04295-2021. This document contains confidential information from Exhibit A to the firm transportation service agreement with the Florida Division of Chesapeake Utilities (Chesapeake). The confidential information contained relates to the maximum daily transportation quantity and the monthly reservation charge.

In its request for confidentiality, Peninsula asserts that disclosure of this information would cause harm to both Peninsula and Chesapeake as the information relates to competitive interests. Furthermore, Peninsula states that the both the company and Chesapeake treat the highlighted information provided in Document No. 04295-2021 as confidential.

Staff has reviewed the document and concurs with Peninsula that the nature of the information meets the requirements set forth in Section 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would impair the competitive business operations of Peninsula. Therefore, staff recommends that the request by Peninsula for confidential classification of Document No. 04295-2021 be approved.
