Subject: FPL Docket No. 20210015-EI

I am writing regarding the subject issue for proposed Florida Power and Light rate increases. My household does not agree with this increase. FPL is pretty much a state-sanctioned monopoly awarded by high returns in income. Such increases harmfully affect many Florida residents who are on fixed incomes or low incomes. My household is in one of these groups.

I hope the Florida Public Service Commission denies the FPL increase proposed on Docket # 20210015-EI

Thank You.
