Subject: {BULK} D O C K E T N O . 2 0 2 1 0 0 3 4 - E I
Importance: Low

Please reject this rate increase request by TECO.

A 20% increase in rates is totally unreasonable in the light of our current environment.

Consider the impact that this increase will have on those that are retired and those low income people who have no other choice for electricity.

Thanks
Richard Wyatt
