Subject: TECO RATE INCREASE

To whom it may concern,

I am against TECO receiving the go ahead for a 19% rate increase. We are still in an emergency situation with COVID and people are still hurting financially. Many people have lost their jobs with only minimum wage jobs available that are not enough to sustain their families. Retired people are having a very difficult time with the rise of prices of everyday essentials going up every week. now is not the time for a rate increase to be approved. We are all at our breaking point as it is.

But TECO employees did not lose their jobs and the CEO and top officers still received a huge bonus at the end of the year. Your job is to protect that average American especially in emergency situations so I ask that their request be denied.

Sincerely,
Dixie Elsass
