Re: Docket No. 20210015-EI – Petition for rate increase by Florida Power & Light Company

Dear Ms. Moncada:

By this letter, the Commission staff requests that Florida Power & Light Company provide responses to the following data requests:

1. Please provide a revised MFR Schedule D1a (with RSAM) for each of the projected test years ending December 31, 2022, and December 31, 2023, reflecting a return on equity of 10.60%, used to set the revenue requirement delineated in the proposed settlement.
2. Please refer to paragraph 3 of the proposed settlement. Please describe or list the source that will be used to determine the 30-year United States Treasury Bond yield rate for purposes of initiating the return on equity trigger mechanism.
3. Please refer to paragraph 26 of the proposed settlement. Please explain how the accelerated amortization of the unprotected excess deferred income taxes affects the accumulated deferred income tax balance in the projected capital structure in the projected test years.
