Re: Docket No. 20210102-WS – Application for increase in water and wastewater rates in
Orange County, by Pluris Wedgefield, LLC
Our Matter No. 075541

Dear Chairman Clark:

On May 28, 2021, you approved Pluris Wedgefield, LLC's request for a test year ended December 31, 2020, with an MFR filing date of September 1, 2021. This letter requests a modification to that approval of a test year. The Company requests a change to an historic test year ending June 30, 2021. The requested test year is still representative of a normal full year of operation. The Company intends to submit the minimum filing requirements ("MFRs") on or before March 31, 2022.

No other changes to the matters represented in the original test year letter are requested.

Should you or members of the Staff have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,

Martin S. Friedman
For the Firm

Chairman Gary F. Clark
