Re: Assurance Wireless USA, L.P., Lifeline Data Request, FCC Lifeline Claims Reports

Dear Mr. Teitzman:

Assurance Wireless USA, L.P. ("Assurance"), pursuant to Section 364.183(1), Florida Statutes, hereby claims that the information provided in the attached FCC Lifeline Claims Worksheet reports contains confidential customer information that should be held exempt from public disclosure. Pursuant to Rule 25-22.006(5), Florida Administrative Code, the attached sealed envelope contains the documents with the confidential information. Assurance, as a commercial mobile radio service or wireless carrier, is exempt from this Commission's jurisdiction pursuant to sections 364.011(4) and 364.02(13)(c), Florida Statutes, and not required to respond to the PSC's annual data requests. However, Assurance is providing its Florida Lifeline customer count information through May 2020 as filed with the FCC on a confidential basis as a courtesy to the Commission for the limited purpose of this year's annual Lifeline report to the Florida Legislature; the June 2020 information is not yet available.

Please acknowledge receipt of this letter by stamping the extra copy of this letter and returning the same to me.

Thank you for your assistance with this filing.

Sincerely,

BERGER SINGERMAN LLP
