Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Dear Sirs:

I am deeply disappointed that the PSC has agreed to such a huge increase in customer rates for Florida Power and Light. I think a much lower amount should have been negotiated on your part. Senior citizens on limited income will be greatly impacted by this rate increase. If the settlement has not been finalized in writing, I would strongly encourage the PSC to renegotiate a further reduction with FPL.

Thank you for your consideration in this matter.

Cordially,

Jeffrey Rosnick
FPL Customer

.

Thank you,

JEFFREY ROSNICK
