**Subject:** Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

(I believe it is important for FPL to clearly state what their short-term and long-term goals are with respect to clean energy. I also believe the FPL proposed settlement is still too generous for FPL and will cause hardship for many of FPL customers. More should be done to control their costs that are passed on to the customers.

Thank you,

Eric Schmitt
