Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I live in a small 2 bedroom, 2 bath condo and I'm paying over \$100 every month. I can not afford for my rates to go up. I'm turning 65 in October and am on a fixed income. FPL should be LOWERING rates, not raising them.

P.S. We are in the worst part of a pandemic in SWFL!

Thank you,

Kristen McElligatt
