Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I believe FPL is already making enough money off of their customers. Please do not let this pass. The seniors (me) that live here are already paying way too much for their power. They bragged in their ads that they were among the lowest in the nation, and now they will be among the highest. My power cuts out at least 3 times a week, where is the farness?

Thank you,

David Hastings
