Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Major advocacy groups are opposed to such a high rate proposed by FPL such as Walmart--AARP. And compared to other utility companies rate increases, FPL's is much higher. Many Floridians are retired and on low income and with inflation across the board rate fees should be going down rather than up. Perhaps FPL should consider cutting some corporate waste in their business model instead !!

Frank Pezzimenti 11640 Dogwood lane ft myers fl 33931.(Please share your thoughts here.)

Thank you,

Frank Pezzimenti
