Dear Commissioner

With what is going on in this world nowadays, COVID, people out of work, loved ones lost, families destroyed, how can you even humanely think of jacking up costs? How humane is that? Did you not get effected by this? Have you not lost loved ones, lost your job? Are you not struggling just to survive, going to food banks, asking for help, trying to make ends meet? Really how can you justify doing this?

Thank you,  
Debby Tarafa

Thank you,
