**Subject:** Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

We have been told several times in the last few years how FPL strives to keep costs lower than other power companies. What is being proposed in no way accomplishes this. In fact, FPL's rates will increase in a time when customers are struggling even more than usual. My family and I are part of that group.

Also, I am disturbed that FPL is doing more to protect our environment.

Thank you.

Thank you,

Lynda W G Mason
