Dear Commissioner

I do not understand why FPL needs another rate increase! I can barely pay my wildly expensive electric bill now- average \$250.00 per month-with no laundry, dish washer or pool pump expenses, as none of these items are working and I can't afford to get them fixed!!!

As a struggling senior I am going to have to sell my house, which my parents bequeathed to me with the expectation I would have a roof over my head for the rest of my life! And I have no idea where I will be able to find affordable housing- certainly not in this area. And I can't even afford to pay movers to relocate me!

Please reconsider this rate hike! I know I am not alone in suffering from the constant price increases imposed by all utilities!

Sincerely,
Leslie H Farrand

Thank you,
