Dear Commissioner

It is unfair to raise FPL rates. For once, they do not do anything to prove they deserve it. Every time it is harder to get them do things they formerly do by their own. Example, trim the tress that are interfering with their power lines. On the other hand, you may it more difficult for people like myself who are retired to meet all their obligations. Every thing increases but the retirement funds I collect.

Thank you,

Yolanda de la Puente
