Dear Commissioner

I would like to know why everything that FPL does or ask for, you basically rubber stamp as approved? I find these increases to be so outrageous and totally against the general welfare of the people they are suppose to serve. Your job is to PROTECT US, not them. Maybe an audit is required of your services to find out if you are somehow involved with these company as its seem WAY TOO CONVENIENT that you never stand up for us.

Thank you,

Andrew Nathanson
