Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

My thoughts on keeping our power rates down low as possible is because I am a single household owner living on a budgeted income after the recent loss of my husband and I do have other bills to pay. Please take this into consideration because I am sure there are more of me out there right now. My bill is the lowest it has been in years. I think by raising the rates it would only be a hindrance to everyone involved. So let's all take a stand and keep the rates as they are if not lowered.

Thank you,

Deloris Knights
