Subject: RE: Tell the PSC Why They Need to Keep Your Power Bill Low

Good Afternoon, David Greer,

We will be placing your comments below in consumer correspondence in Docket 20210000, and the Office of Consumer Assistance and Outreach will be notified.

Sincerely,

Hong Wang

Office of Commission Clerk
Florida Public Service Commission
2540 Shumard Oak Blvd.
Tallahassee, FL 32399-0850
850-413-6770

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your email message may be subject to public disclosure.

Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

As a Florida resident, I want your commission to learn and make public the plans that Florida Power and Light have have for increasing the use of clean energy. The customer base should have knowledge of the company's plans for carbon emissions reductions.

Please follow through on the commitment that your commission took as representatives of the residents of the state of Florida.

Thank you,

David Greer
