Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Please do not allow FPL to continue to make absurd profits at the expense of the rate paying public. As a rate paying customer of FPL, I am doing my part, by subscribing to FPL's Solar Together program. This program is suppose to lower my electric cost. But now FLP is looking to raise rates?? This has got to stop.

Thank you,

Robert Angelini
