Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I appreciate the service I have received from FPL over the years but I think the FPL's proposed settlement isn't enough as Florida residents and the country are trying to recover from the economic impact of covid and inflation. The proposed rate increase will be a hardship for many Floridians, especially senior citizens. I do not think the rate increase is justified and should be reduced. Thank you.

Thank you,

Marilyn Brummer
