Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

As a SSDI recipient every rate increase and inflation rate at the grocery store and gas prices affect and diminishes discretionary income for people and Seniors on fixed income they have to make a decision to pay FPL or pay for their medications. This is unfair, unjust, and price gouging consumers to continue to increase profits. Please consider this request as Floridians continue to battle unemployment, Covid, and Inflation.

Thank you,

Alberto Salvi
