Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Residential customers try to keep cost low and maintain a budget. We don't have the privilege of asking employers and Social Security for a practical raise that is necessary to maintain the rising cost of existing. Utilities are necessary. You already have a monopoly in the neighborhood. You know you have our business because we need your service. We don't have a choice of companies. Please understand that customers are people. Thank you.

Thank you,

Victoria Roddel
