Subject: RE: Tell the PSC Why They Need to Keep Your Power Bill Low

Good Afternoon, Cynthia Thomas,

We will be placing your comments below in consumer correspondence in Docket 20210000, and the Office of Consumer Assistance and Outreach will be notified.

Sincerely,

Hong Wang

Office of Commission Clerk
Florida Public Service Commission

Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I remain concerned that the settlement reached to date with FPL is too costly and overly burdensome to the consumer. ROE increases should clearly be less than 105, consistent with other providers. Also, additional funded investments in solar and EV charging stations are wasteful as competitive providers will be much more cost effective in the long run. I urge you to continue negotiations with FPL with the goal of reducing costs to Florida residents.

Thank you,

Cynthia Thomas
