Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I am a Florida Resident who recently became disabled and I am on a very low fixed budget. I was also recently notified I will be losing my SNAP benefits on September 30th, which will seriously hamper my ability to purchase necessary foods in the future. My SSDI is all but gone by the time I pay all of my bills and leaves me with nothing to have in cases of emergency or unseen needs. If my current bills are increased to the point in this statement, I will most likely become seriously hampered to live in any form I am currently in.

Thank you,

ROBERT ANGELINI
