Dear Commissioner

(Please share your thoughts here.)I think it's a shame to go up on our Electric bills ,we the People can't afford our bill now because of inflation.Everything is going up and we don't make enough to cover all of our bills now and what about our Older grenations.We are struggling to keep up now and it's only gonna get worst .You should be going down on our bill with what is going on ,everyone is getting sick or don't have a job.Seriously

Thank you,

Theo White
