Subject: RE: Tell the PSC Why They Need to Keep Your Power Bill Low

Good Afternoon, Gary Conkol,

We will be placing your comments below in consumer correspondence in Docket 20210000, and the Office of Consumer Assistance and Outreach will be notified.

Sincerely,

Hong Wang

Office of Commission Clerk
Florida Public Service Commission

Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Florida is home to an ever increasing population of retired people, living on social security and other that do not keep pace with the actual increased cost of living. Not only do we need you to keep rates low but actively help us all to consume less energy. The LED bulbs are good but also how about home insulation and home solar panel kits or assistance ?

Thank you,

Gary Conkol
