Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Hello PSC member,

I am a senior in Ormond Beach, FL and rely solely on my SS's old age benefits to live. Due to my starting ssecurity collections at age 62, because of health issues, my amount is slim. I can not pay my rent and utilities as it is, I started snap benefits 4 months ago, and have absolutely no wiggle room to accommodate a price increase in anything. Please reconsider the hardships that this increase will impact so many of us already living sub the low-income standards.

Thank you for your considerations,
Anne-Marie Lynn

Thank you,

Anne Marie Lynn
